Wound Dressings

Motex offers a complete line of wound dressing products of high water-repellency and breathability, providing patients with optimal protection and comfort.

Fubupore®

Non-woven adhesive dressing with absorbent pad

Characteristics

1. Non-woven fabric laminated with released paper.
2. Hypoallergenic adhesive for sensitive skin.
3. Non-adherent film prevents absorbent pad from sticking to wound.
4. Porous and breathable.
5. Individually wrapped and gamma sterilized.
